**This form should only be used to claim property of which you are the original owner.**

If you are claiming property as the heir or beneficiary of a deceased owner (Form 600B), the agent of an entity (Form 600C) or the agent of a living owner (Form 600D), you must complete the appropriate form.

**YOU ARE REQUIRED TO SUBMIT THE FOLLOWING EVIDENCE WITH THIS FORM:**

**✓ You must provide a clear copy of official photo identification or have your signature on the claim form notarized.**

If your name has changed since the property was reported to the State of Arizona, you must provide verification of your name change. The Arizona Unclaimed Property Section does not release funds based on name similarity alone. You must also provide a social security number or address match. If only one identifier is known to the State of Arizona Department of Revenue, you are required to prove that identifier. Please see our website [www.azunclaimed.gov](http://www.azunclaimed.gov) if you would like examples of acceptable proof.

**✓ Please provide proof of your social security number.**

Providing your Social Security number (SSN) is optional. However, if you choose not to provide your SSN, there may be insufficient information available to determine whether you are the owner of the unclaimed property held by the Section and in some cases may result in your claim being denied. If you provide your SSN, the Section will only disclose it to employees involved in paying your claim and to the federal government as required by law.

**✓ Please provide proof that you lived at or received mail at the address reported to the State of Arizona as the last known address of the original owner.**

If you do not know what address was reported to the State of Arizona, you can complete an inquiry at [www.missingmoney.com](http://www.missingmoney.com) or you can contact our customer service hotline at (602) 364-0380 / 1-877-492-9957.

**✓ Joint owners must file together unless:**

- One of the owners is deceased. In this case, a copy of the joint owner's death certificate is required.
- The owners are now divorced. In this case, a certified copy of the divorce decree and complete property settlement are required.
- The owners have lost contact. In this case, a notarized statement that confirms that the owners had no marital relationship, have lost contact and each listed owner is entitled to an equal portion of the property is required.

Please be aware that each claim is unique and that once your claim is received, the Section may need to request additional information from you to support your claim. If this is the case, the Section will contact you by telephone or in writing to explain the additional requirement and will allow you an opportunity to provide the additional evidence rather than denying your claim. If you have any questions or cannot provide the evidence requested, we recommend that you complete the claim form and submit the evidence you can provide along with a note explaining your circumstances. A claims specialist may be able to clarify and assist you with the evidence requirement.
